

## About the ENNEAGRAM

The ENNEAGRAM is an ancient wisdom that gives insight into the motivating forces within the human person.

It is not strictly about personality profiles; rather it is about the origins and nature of human compulsive tendencies and the ways in which they can, when we are not conscious of them, drive us into unhealthy behaviours and attitudes. This unhealthiness damages the fabric of our interpersonal relationships, falsifying our self-perception and corrupting our capacity for love, to love, and to be loved. Divine Grace requires our cooperation, and our lack of awareness of these hidden forces within ourselves limits this. When we become conscious of what is at work in us we find a pathway that brings truth, freedom and a growing delight in the presence of God.

# The Enneagram & Our Path to The Divine

## Weekend Workshop

18<sup>th</sup> & 19<sup>th</sup> March, 2017  
Henley Beach, South Australia

## About this WEEKEND

### SATURDAY:

The task of the first day will be to grasp the fundamentals of the ENNEAGRAM.

While the day will include lecture input with handouts, we will be invited to enter into an understanding of the ENNEAGRAM experientially. The ENNEAGRAM is something we live, so we will be exploring that lived experience from how it feels on the inside, rather than starting from concepts.

### SUNDAY:

Attendance Saturday is a pre-requisite for understanding Sunday.

The second day will explore how the principles of the ENNEAGRAM speak to our unique and individual relationships with the Divine.

We will explore both the nature of our movement away from God (sinfulness and compulsion), and the movement of our hearts towards God (redemption and gift).

Each pathway in the ENNEAGRAM calls for its own particular understanding so we shall conclude the day with space to ask our own relevant questions.
