ISTJ

Hagar has underestimated the ISTJ clerks - great sense of order and detail, objective and decisive.

ISTP

Hagar has a logical inner world - and his face to the world here is definitely sensate.

ESTP

Here Hagar draws energy from his outer world (sensate). Perhaps he is working on his introverted thinking to overcome his male chawvinism.

ESTJ

Helga is an organiser. She knows her mind and expresses it as she sees it.

ISFJ

Hagar must be intuitive here – failing to appreciate just how accurate Lucky Eddie is in seeing detail clearly and expressing it feelingly.

ISFP

Hamlet is a gentle boy, with an inner life of values and feeling, sensate in the outer world.

ESFP

ESFPs enjoy life - for whatever reason,

ESFJ

Hagar's and Helga's extraverted feeling transcends their inner sensation.

INFJ

Both Honi and Helga are introverted intuitives, relishing the puzzle and delighted with their hunches. (Helga offers an INTJ version of the same joke later.)

INFP

An INFP ordinary conversation!

ENFP

Sociable Lucky Eddie keeps his intuitive options open.

ENFJ

What feeling 'out there' (and what inner hunches!).

INTJ

The same joke as for INF7, but Helga's intuition has a thinking face to the world.

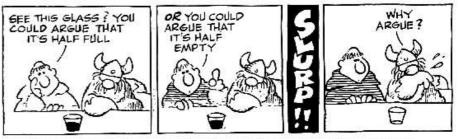

INTP

YES AND NO

Hagar contemplates according to his inner thinking. Perhaps his extraverted intuition is a bit off-beat.

ENTP

Hagar (3) responds (reacts) to the ENTP who enjoys discussing - for its own intuitive-thinking sake.

ENTJ

Hagar knows what's what and what is to be done. It's clear, therefore . . .
